COLORING BOOK

Introduction

Dear Parents

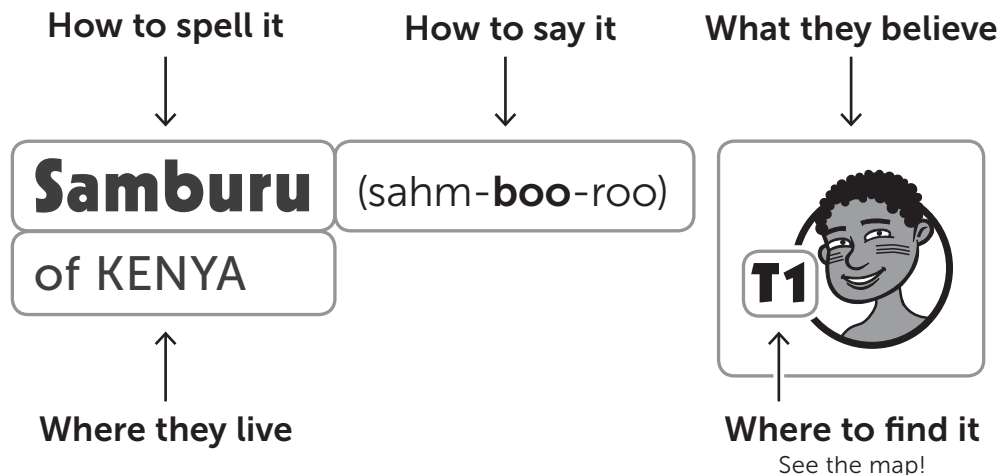

The THUMB Coloring Book is designed to introduce your kids to children living in different cultures around the world. The boys and girls your kids will color represent people groups whom God loves, but who have little or no access to the life-changing gospel message. The full coloring book offers simple descriptions of each group's religious beliefs and examples of how to pray for these people to know and follow Jesus.

Terms to Know

- **People group** – individuals, families, and clans who share a common language, culture, and belief system.
- **Unreached or least reached** – people groups who have no opportunity to hear about Jesus. They don't have a Bible, access to Christian media, contact with believers in Jesus, or a culturally relevant church.
- **THUMB** – an acronym for five major non-Christian worldviews prevalent in unreached cultures. “**T**” is for “Tribal,” “**H**” is for “Hindu,” “**U**” is for “Unreligious” or atheist, “**M**” is for “Muslim,” and “**B**” is for “Buddhist.” These five worldviews exist alongside Christianity in many cultures around the world.

How it Works

At the top of each page, you'll find this information about each people group:

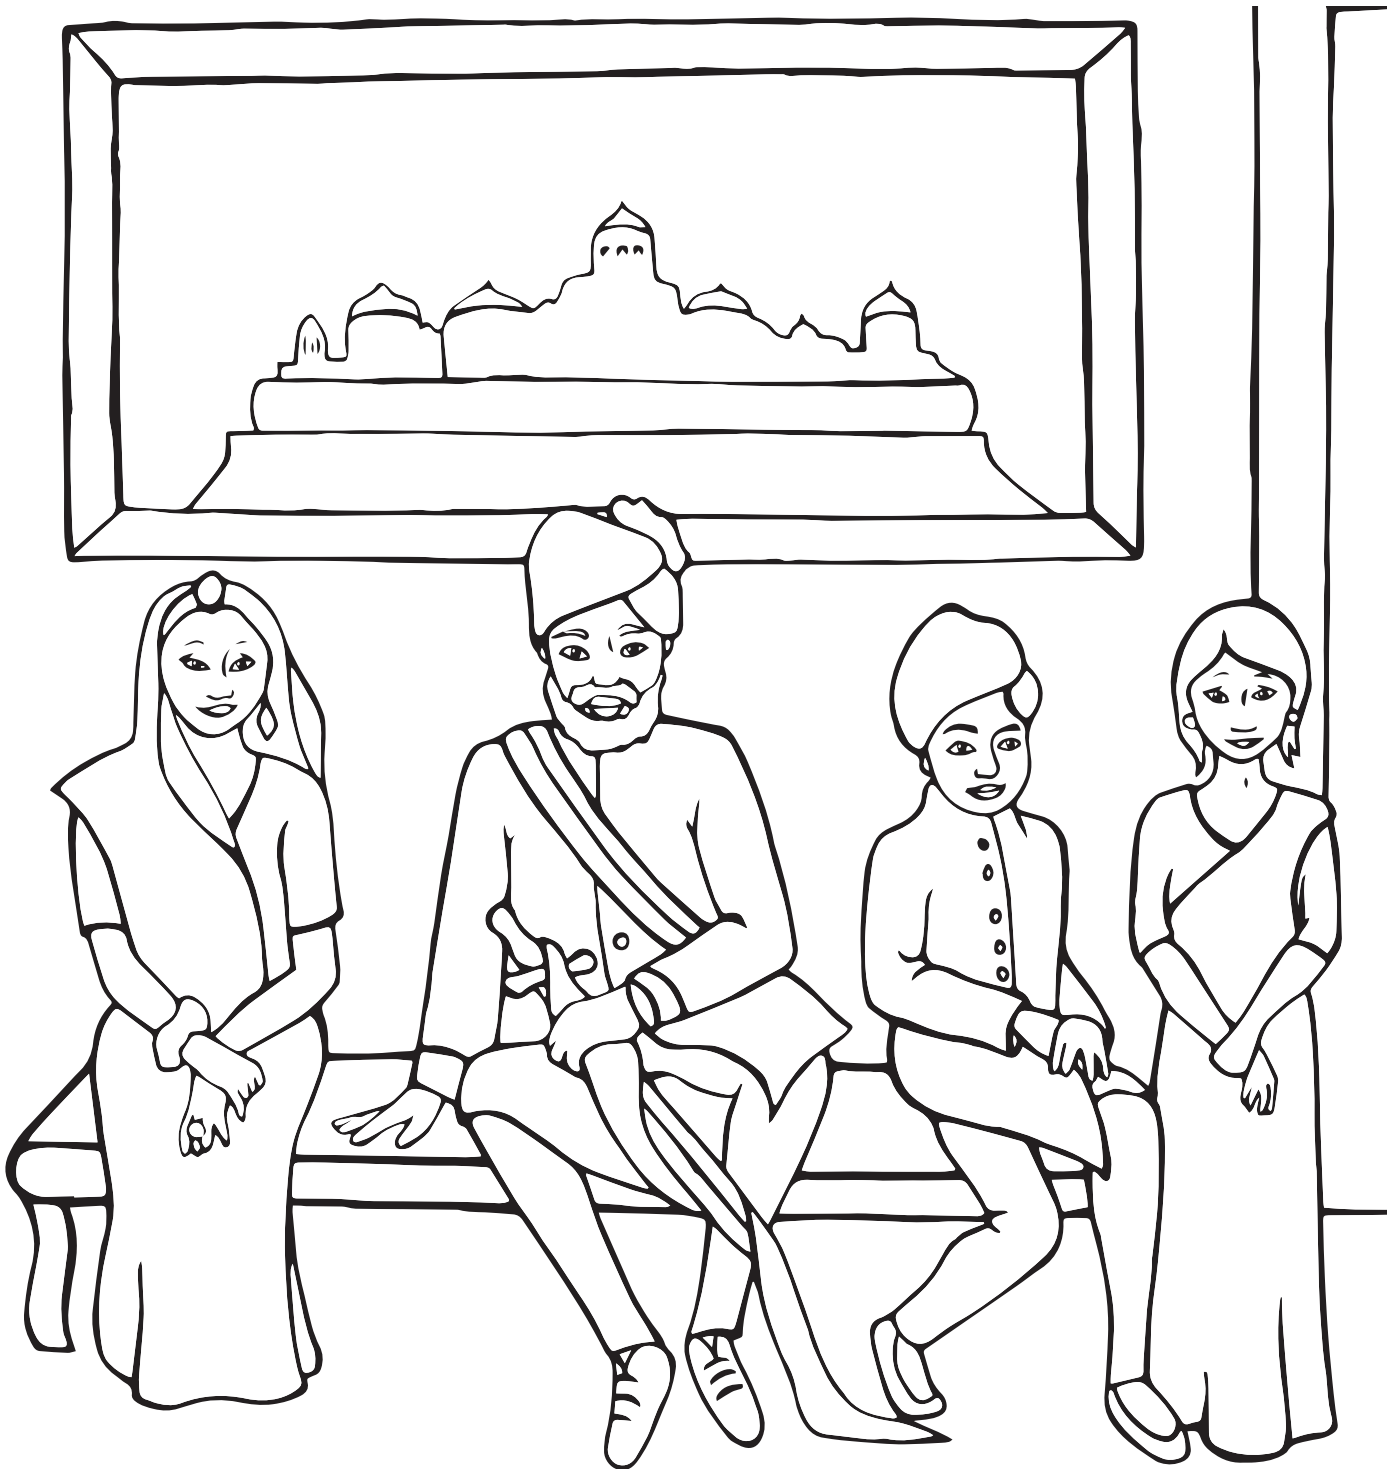

Hmong (mung) of LAOS

To the Hmong, songs are a sign of happiness. They love singing when they are hunting and doing chores.

Rajput (rahj-put) of INDIA

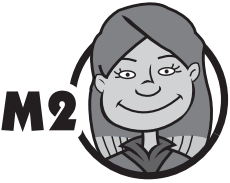

Long ago the Rajputs were nobles. Today the Rajputs are well respected throughout India.

Japanese (jap-uh-nee-z) of JAPAN

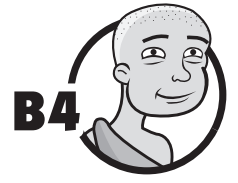

In the summer, kids in Japan like to swim and play sports like sumo wrestling, karate, baseball and golf. A sumo wrestling tournament in Japan is an important event!

Patna (paht-nah)
of INDIA

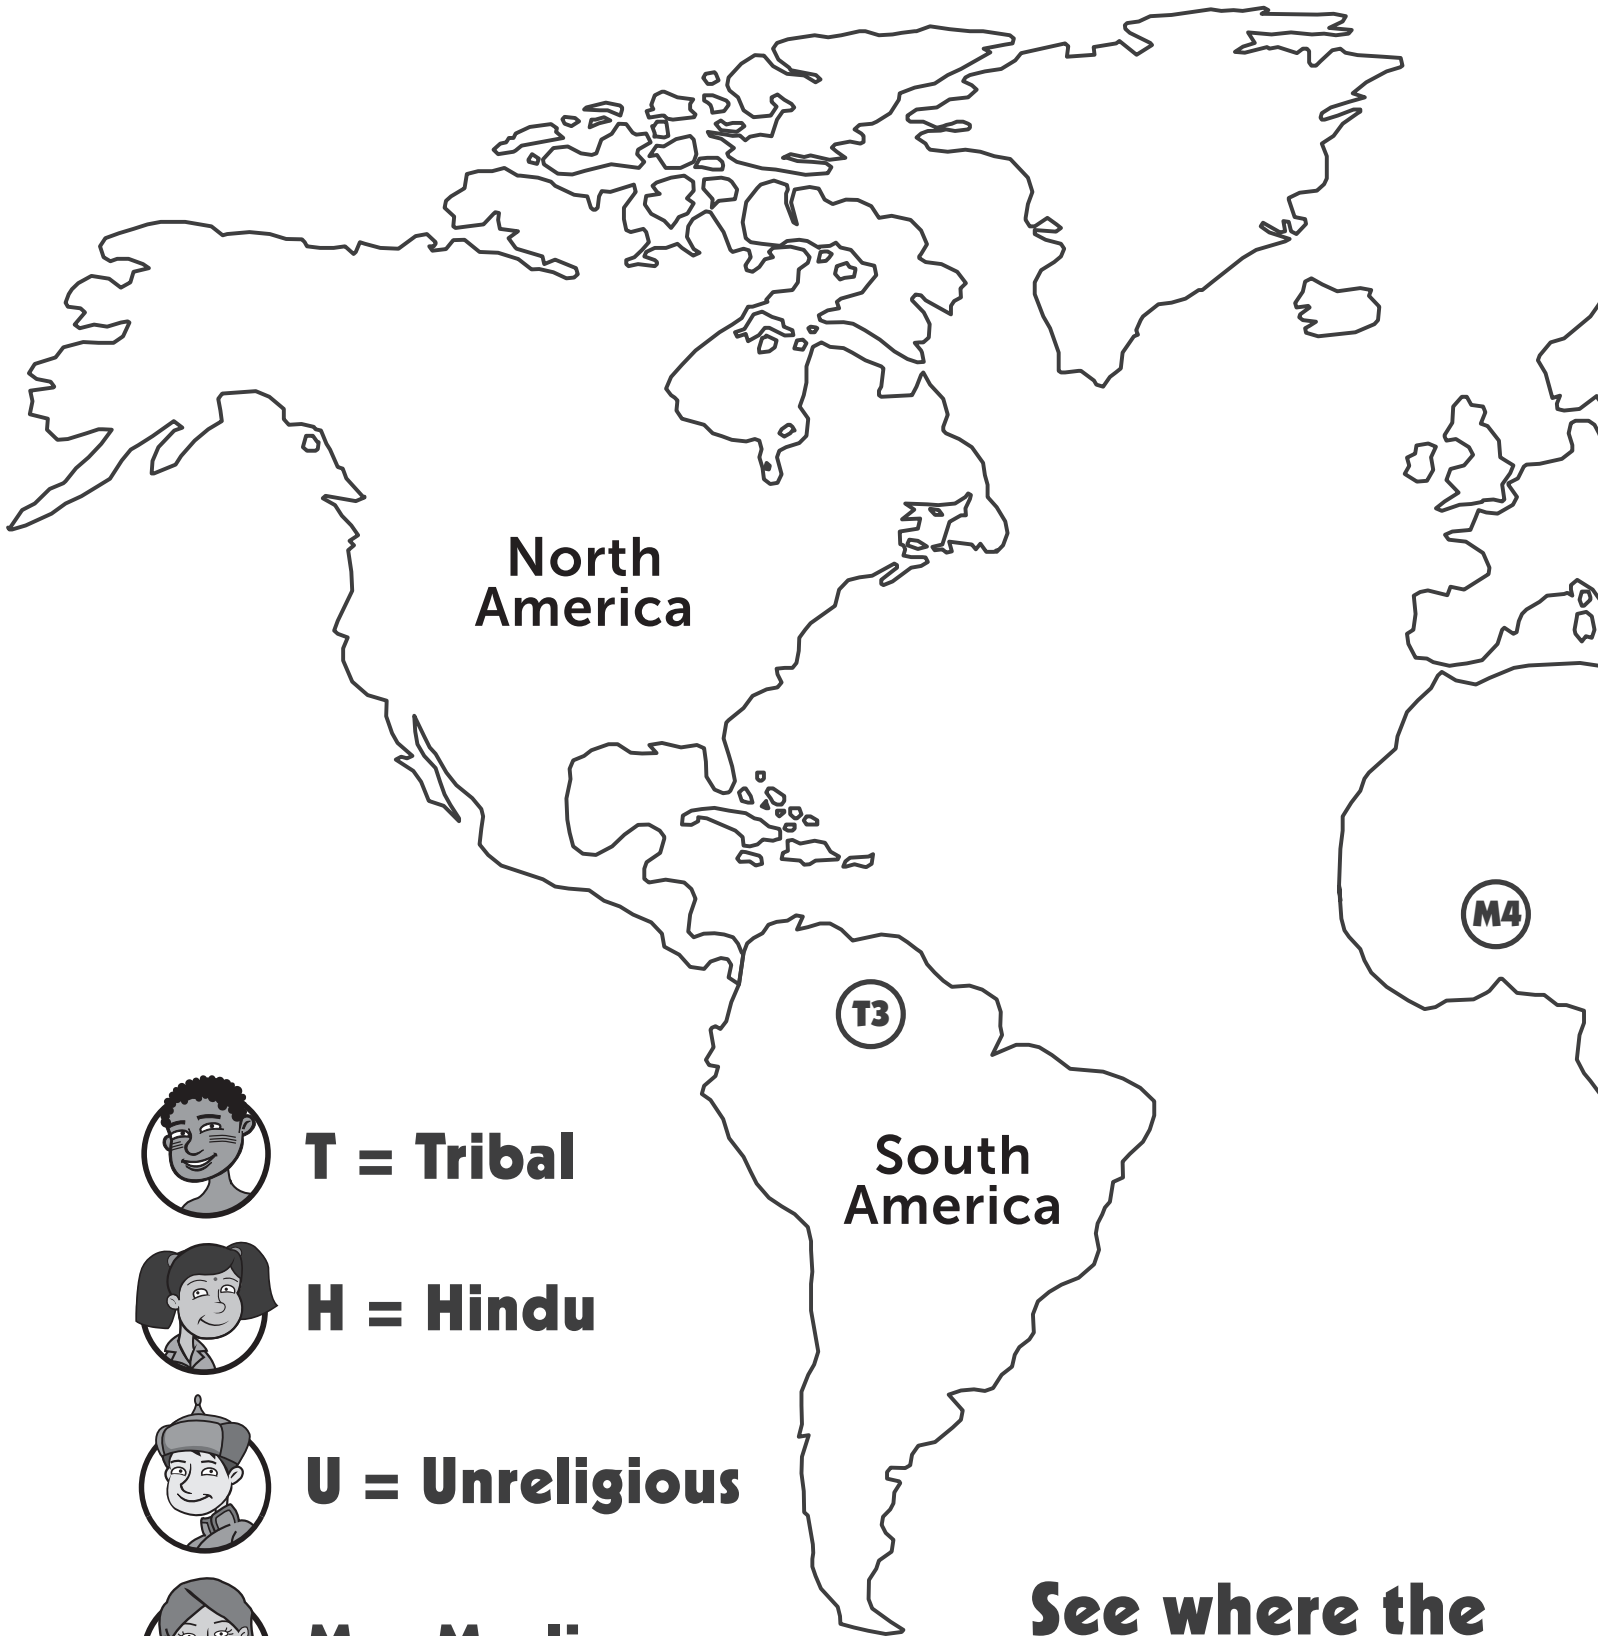

The Patna enjoy going to live dances and performances with colorful costumes and loud music.

Hmong (mung) of THAILAND

One of the Hmong children's favorite games is tire racing.
Whoever can keep their tire from falling over the longest is the winner!

T = Tribal

H = Hindu

U = Unreligious

M = Muslim

B = Buddhist

**See where the
THUMB
peoples live!**

1. Find the continent where you live and color it.
2. Locate where each unreached people group lives by matching the code on the coloring page to the code on the map.
3. The Hmong (**mung**) are part of which two THUMB groups?
4. Circle the name of the continent with the largest concentration of THUMB groups.
5. Color the rest of the map.
